Subject: List User Update Multiple
Posted by kong on Sun, 01 Jun 2014 00:27:30 GMT

In v1.83 go to Menu -> User, then select multiple user records and click update button.
Only the first record will be returned for update and there is no scroll bar to get to the other
selected records.

Whoops!

The fix is included in the latest download for version 1.84.0
