Tony,

In page
http://www.tonymarston.co.uk/aboutme/history.html

the validators found 4 errors:

An incorrect "special" dash:
Line 306, character 96:
... small.html">Component Design Â– Large and Complex vs. Small a ...
Error: illegal character number 150

Line 657, character 61:
... small.html">Component Design Â– Large and Complex vs. Small a ...
Error: illegal character number 150

Line 572, character 24:
<table border="1" widt="100%" summary="">
Error: there is no attribute widt for this element (in this HTML version)

Line 707, column 59
Error: & did not start a character reference. (& probably should have been escaped as &.)
nter.php?noshow&page=/aboutme(

(the others are warnings about XML syntax not worth fixing.)

Thanks.
