Tony,

Also in
http://www.tonymarston.net/php-mysql/radicore-tutorial4.html
the link to
http://www.tonymarston.net/php-mysql/functions-and-variables .html#notes._cm_getNodeData
(line 806)
is broken.

It should be replaced with a link to
http://www.tonymarston.net/php-mysql/functions-and-variables .html#notes._cm_getnodedata

Sadly html is case sensitive.

Thanks in advance.
