Sorry, it doesn't work.

This is the report code:

```
$structure['multi1']['fields'][9][] = array('image' =>
'%%training_plan_detail_uebung_pfad_grafik_05',
'imagewidth' => 40,
'imageheight' => 40,
'x' => 96,
'y_relative' => 1,
'ignore_if_empty' => 'y');
```

The space for the pictures is still you don't see them.
