good day, im a newbie here in radicore and may i ask for your help if you could aid me in my problem. How could i change a certain textfield control into a dropdown control? what particular file should i modify? Is it possible to modify it in radicore itself? can you help me please... thanks...
Bryan

Take a look at the following: FAQ09, FAQ59 and FAQ90.

You should also look at the Radicore Tutorial, specifically Convert STAR_SIGN into a dropdown list.
